As said much earlier, most of the Documents, e mails, were in my Official Computer. Dr. Spudich surreptitiously made herself unavailable, violated instructions given by Chairman Peiper to work with me and the IT guy so I can download All personal Documents that I needed Again, a diabolical move, highly suspicious Spudich thinking SHE KNEW more than what are do know.

i have chronologically lay out what this case is all about, from a mis-designation and attempted cover up Jefferson on 06/2019 shamelessly told me they had no RECORDS of me being employed in 2000, having worked part time 1995 to 2005.
